December 2, 2008

Dear Dairy Professional:

The University of Wisconsin-Extension's Dairy Team will be hosting a two-day Midwest Manure Summit at Lambeau Field in Green Bay, Wisconsin. A copy of the preliminary agenda is attached. The web site is: <http://www.midwestmanure.com>.

Our target audience is progressive dairy managers/owners, as well as a wide variety of consultants and service providers including custom manure haulers, crop consultants, dairy nutritionists, farm management consultants, engineering consultants and agency staff. We have applied for continuing education credits for the certified crop advisors. We are anticipating approximately 200 attendees. We are seeking your industry support for this year's conference by participating as a sponsor and/or exhibitor. Donor levels are platinum (\$1,000), gold (\$750), silver (\$500), and bronze (\$250). In return for your support you can expect the following:

- Company name listed in brochure with donor level designation
- Company name listed in conference proceedings with donor level designation
- Company name listed on placard at the conference with donor level designation
- Exhibitor space for company booth (optional)
- Company name listed as a break or reception sponsor for Platinum Sponsors
- Complimentary registration to the conference for representative(s) of your company (Platinum and Gold sponsors 2 registrations, Silver sponsors 1 registration).

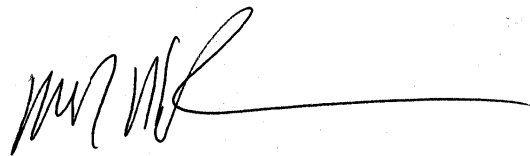

To ensure your company's name is listed in the promotional brochure, please fill out and return the attached form by December 19, 2008 to indicate your interest in supporting this educational event for the Wisconsin dairy industry. We will then follow up with correspondence regarding the specific details of your co-sponsorship.

Thank you in advance for your support of the dairy industry and the UW-Extension Midwest Manure Summit at Lambeau Field. If you have any questions, please feel free to call Paul Dyk at 920-929-3171, e-mail paul.dyk@ces.uwex.edu or Mark Hagedorn at 920-391-4612, e-mail mark.hagedorn@ces.uwex.edu. We look forward to your participation in this year's conference.

Sincerely,

Paul Dyk, Dairy/Livestock Agent
UW-Extension, Fond du Lac County

Mark Hagedorn, Agriculture Educator
