Also present: Dave Lindorff, DNR, Liz Heinen-WDNR (see citizen's attendance sheet)

The meeting was called to order by Diana Tscheschlok.

Member introductions were held. Karen Madigan is replacing Richard Wetzel who resigned due to time commitment. Bertram, seconded by Cappozzo to approve March 19, 2008 minutes as printed. Motion carried.

Municipal Wellhead Protection Program –David Lindorff, Wellhead Protection Coordinator, WDNR, provided information on municipal wellhead protection program. DNR requires wellhead protection plan for any well on line since 1992. WI. Rural Water Association will assist communities of less than 10,000 in wellhead protection plan. City of Fond du Lac is in the process of completing wellhead protection for its 15 wells.

Special well casing zones – Liz Heinen, Drinking and Groundwater Specialist, DNR, provided information on well construction and special well casing zones. In Fond du Lac County only one special well casing zone exists in Ripon around the superfund site.

WDNR Delegation levels – Spike Clarenbach reviewed the DNR delegation levels as outlined in Chapter NR845. Fond du Lac County Code Enforcement is in the process of developing a local ordinance to address well abandonment which is level 5 delegation. Presently 5 counties are providing level 5. 4 counties are level delegation which provides for well permitting and inspection at a county level. If Fond du Lac County would assume level 1 delegation additional staff would be needed.

Diana reviewed agenda items for next meeting which will be May 15 @ 6:30 p.m.

Meeting adjourned at 8:25 p.m.
