

Money Smart Kid 2009

MOOLAH MATTERS QUIZ

Money Smart Kid is in affiliation with Money Smart Week in Wisconsin, which takes place the week of October 10-17, and seeks to educate individuals of all ages about money matters. This quiz is designed for children in Grades K-5 to complete on their own or with the help of their parents. It's a great way to explore various aspects of money with your children and also give them an opportunity to earn rewards for what they discover and learn.

Winning entries will be based on the number of correct answers and will be judged by the FDL Money Smart Kid Committee and their decision will be final. In the event of a tie, the tie will be broken based on the student's response to the "Bonus Question." If other places are tied, winners will be selected through a random drawing. All completed entries will receive a prize at the time of submission.

Submit completed forms by September 30, 2009 to the Front Desk at:
