The Lancaster Community Band consists of local musicians that have provided free summer music performances for the public since 1985. Concerts are held every other Monday night through June and July on the Shreiner Memorial Library grounds at 113 West Elm Street. Music for this great family activity begins at 7:00 pm and those who attend are encouraged to bring lawn chairs or a blanket. Lancaster Music Boosters offer pie for sale and the Merry Mixers 4-H club provides free ice cream. Local papers will contain concert details.
