

Green County 4-H Horse & Pony Project Clinic High-Point

Even though the horse and pony project only requires that each member participates in two clinics at a minimum, everyone is more than welcome to come to as many as they choose. To encourage more participation, the Committee has developed a high-point award system for those who have attended the most clinics. The rules and qualifying clinics are posted below....be sure to get out there and attend as many clinics as you can!

RULES

There are three divisions that members can participate in, which include:

Jr. Jr. - Grades 3-5

Jr. - Grades 6-8

Sr. - Grades 9-13

Each division will award a Grand Champion High-Point winner based on the number of points that they accumulate during the current project season.

Points can be accumulated at the start of the Horse & Pony Project Kick-Off meeting until December 31st of the same year.

It is required that members sign the attendance sheet of the clinic that they attended in order for them to receive credit for the point.

One point is rewarded for each event held (i.e. if a single clinic qualifies for a pleasure clinic and horse judging clinic, you can only receive one point that day regardless of which you do).

In the event of a tie, the winner will be randomly drawn.

Winners will be announced and awarded at the Horse & Pony Project Kick-Off meeting of the following year.

The following includes the events that members can receive points for. New events that are not posted, but still count for High-Point, will be updated when they are known. Members will be informed at least a month in advance via the Green County Horse Project link on the Extension Office website or in the Alphorn.
