of Green County...

Future Forward! Green County
Thursday, October 11, 2007

7:00 p.m. — 9:00 p.m.

Monroe High School Performing Arts Center

Featuring: **Rebecca Ryan**
Next Generation Consulting

Rebecca Ryan and her company, Next Generation Consulting, have worked with dozens of communities identifying characteristics young professionals consider and value when relocating to a community. As large numbers of Baby Boomers begin to leave the workforce, Green County communities will be faced with a labor shortage. It is imperative to our future that we attract, retain and engage young professionals, entrepreneurs, & others who will move Green County's FUTURE FORWARD!

Join **Representative Brett Davis**, 80th Assembly District, and **Ron Spielman**, Local Leader, as we explore this important issue. All interested persons are encouraged to attend this event, brought to you FREE of charge because of a generous contribution by the F. Kubly Foundation.

"This event is a must attend if you are serious about the future of our businesses, schools, organizations and community!" - Anna Schramke, Director
Green County Development Corp.
