FOR IMMEDIATE RELEASE

SUMMER SOCIAL PLANNED FOR YOUNG PROFESSIONALS ON THURSDAY, JUNE 21st

On Thursday, June 21, from 6:00 to 8:00 p.m. young professionals are invited to attend a social gathering at the North Shelter House Recreation Park. The event will allow young professionals to meet one another while playing games "with a twist to the rules" including basketball, horseshoes, and bean bags.

According to Sarah Burgert, one of the event organizers and a UW-Extension Community Resource Development Educator, "this event should be a fun way for young professionals to meet one another in an informal setting." The event was planned after a successful first gathering of young professionals in Green County was held in April at the Monroe Campus of Blackhawk Technical College. Tory Tullis-Zettle, who also helped organize the event and works as an Inventory Specialist at The Swiss Colony, Inc. explains "it was exciting see so many young professionals interested in becoming involved so we planned this event to continue the momentum started at the first event."

The event is free with a light meal that will be available for \$5.00. RSVP's are encouraged and can be directed to Jayne Butts at 608-328-9441 or jayne.butts@ces.uwex.edu. For more information on the event and Young Professionals of Green County visit
