GREEN LAKE COUNTY 4-H NEWS

Monthly Flyer to Update Leaders

Greetings from the Extension Office. We are trying something new here in Green Lake County. Starting this month, the Clover Corner will be sent out to all Leaders in Green Lake County on alternating months of the 4-H newsletter. It will again be sent out at the end of the month so that information can be shared with your 4-H club. Plus, if you have any important information or dates coming up, it will be noted in this flyer in a condensed version. Again, this is something new we are trying, so any suggestions you may have, please let us know. To make this a valuable tool, there will be an educational portion or reminder for leaders to share with their clubs and organizations at their meetings. Hopefully you will find this a helpful tool in making your job as 4-H leaders easier and less stressful. Keep up the great work you are doing in Green Lake County.
