LEADERSHIP ACADEMY

Mission: To promote community leadership by developing knowledgeable, skilled leaders committed to guiding the Gogebic Range through the changes of today and into tomorrow, ensuring a high quality of life and positive growth.

Participants will benefit through learning new skills, enhancing their self-confidence and building networks to enhance their personal, professional and community lives.

Employers will benefit by having higher skilled employees that are more engaged and committed to their workplace and community.

The Community will benefit by creating a network of leaders to serve as catalysts for positive community change.

Past Graduates Speak Out:

"I feel I've grown personally and professionally."

"I plan to be more involved and committed to change."

"It's given me a more positive outlook on myself and community and what I can do for it."
