

Kenosha County 4-H Dog Project Parent Volunteer Form

Parents,

We need your help in order to make the dog project more successful. We are requesting that you sign up to help in two or more of the following areas:

1) Gate Set Up

For everyone's safety, gates need to be removed from the shed and need to be set up for training. We ask that this be more of a family or group effort with parents in charge and members helping set up the rings. (Members will receive extra points each time they assist.)

2) Gate Take Down

Gates need to be taken down and placed neatly in the storage shed. (Members will receive extra points each time they assist.)

3) Agility Set Up & Take Down

This includes the set up of agility equipment (15 to 20 pieces) and then take down after classes. (Members will receive extra points each time they assist.)

If each family signs up to do gate set up and take down two times and once for agility, then there will be several families to help to make things go much faster and easier. Please volunteer your time to show your support for the project and its members. If you have any questions, please see Melissa Ney. Also, if you are interested in assisting in other areas of the dog project, please talk to any of the adult leaders. **NOTE: IF YOU CANNOT MAKE THE TIME YOU HAVE SIGNED UP FOR IT IS YOUR RESPONSIBILITY TO FIND ANOTHER PARENT WHO WILL TAKE OVER FOR YOU.**
