FUNDS FOR YOUTH-LED SERVICE PROJECTS!

What is Youth As Resources (YAR)?

Youth As Resources is grant-giving organization that funds youth-designed and youth-led community service projects.

How does it work?

A group of young people with one or more enthusiastic adults...

- **Step 1:** Brainstorm about community problems or needs
- **Step 2:** Identifies a community need and designs a community service project to address that need
- **Step 3:** Applies to YAR for project funding
- **Step 4:** Gives a 5 minute presentation to the YAR Board about their project, and answers any questions the YAR Board may have about the project
- **Step 5:** Completes the community service project with funding from YAR (If approved)
- **Step 6:** Documents the implementation to the project, evaluates the benefit and celebrates the success
- **Step 7:** Reports to the media and submits a summary of the project back to the YAR Board

Who can apply?

Groups of Kenosha County youth grades k-12 who want to make a difference in their community. Each youth group must have a sponsor organization such as a church, school, or community agency.

Youth As Resources Describes Community Service as:

Youth and adults contributing time together to make a positive change which addresses a community need.

YAR Community Service also includes:

- Service-Learning
- Youth Leadership
- Achieving a specific goal
- Team building and cooperation
- Realizing the importance of being an active community member

Service Project Guidelines:

1. Projects must clearly be “community service” (See above definition) and be of benefit to the residents in communities throughout Kenosha County, with an emphasis on youth volunteer service to others. For more ideas on successful community service projects, contact the Kenosha County Youth As Resources office at 262-857-1945.
2. Youth determine what they want to do as their service project. Youth must prepare the application, present their ideas to the Kenosha County Youth As Resources Board, and implement the project once it is funded.
3. A youth group consists of two or more members. YAR funding is available to youth aged 18 and under and each youth group must have proper adult supervision for their projects.
4. Any youth group submitting an application must have a non-profit sponsor organization, which receives the grant award check. An adult from that organization should serve as advisor. If you do not have a sponsor organization, contact the Youth As Resources Board at 262-857-1945.
5. The time frame for your project will depend on the type of project. Most projects should be completed in 1-3 months.
6. Projects may request funding up to \$500. Funds may be used for the direct operation of the project, transportation and limited youth recognition.

Unacceptable requests include:

- Youth or adult wages
 - Purchase of capital items (i.e. camcorder)
 - Dinners/Banquets
 - Donations to other organizations
 - Fundraisers
 - Out of town trips
 - Projects & programs which have been previously ongoing without YAR funding
7. Applications should be submitted by the deadline for review by the Kenosha County Youth As Resources Board. All questions on the application must be answered.
 8. Grant recipients must use YAR grant moneys in a manner that is consistent with YAR’s non-discrimination policy. (See below)

Youth As Resources does not discriminate against anyone for reasons of race, color, gender/sex, gender identity, creed, disability, religion, national origin, ancestry, age, sexual orientation, pregnancy, marital or parental status, arrest or conviction record or veteran status
