1st Annual 4-H Time and Talent Drawing

The Kewaunee County 4-H Leaders' Association is sponsoring a time and talent drawing and a soup/sandwich lunch on Apr. 10, 2005, at the Rendezvous from 10:30 to 1:30, with the drawing starting at 12:30. This event is a fundraiser for the Kewaunee County 4-H Program.

We strongly encourage every family to support this event. The lunch items are chicken dumpling soup, chili, hamburgers, hot ham & cheese sandwiches and dessert. Families are asked to donate unbaked goods for the dessert bar.

Seeking Pre-teen Exchange Youth and Volunteers

Will you be entering the 5th-7th grade? Are you looking for something fun and adventurous to do this summer? Would you like to travel throughout Wisconsin and meet new friends? If so, we are looking for you. We are currently trying to establish dates and a county to visit and exchange with. Youth who are interested in the Pre-teen/Intrastate Exchange should contact the UW-Extension Office at (920) 388-7185.

Also, we are looking for a chair and committee members for the Pre-teen exchange program. Every year, youth in grades 5th-7th have the opportunity to participate in an exchange program with 4-H youth from another county.

This is a wonderful opportunity for area youth that we hope to keep going strong. Please contact the UW-Extension Office at (920)388-7135 if you are willing to help.

Adult Leader Training

There will be an adult leader's training on April 6, 2005 beginning at 6:30 at Luxemburg-Casco High School. Please, call the Extension Office at (920) 388-7185 if you plan on attending.

The state 4-H office requires every 4-H volunteer to attend a two-hour orientation, submit to a background check, and sign a behavioral expectation form.

The orientation is designed to help new leaders understand the laws regarding child protection, give an overview of how 4-H works within a community, and some general information on child development.

THIS TRAINING IS REQUIRED OF ALL NEW 4-H LEADERS AS WELL AS THOSE WHO HAVE NOT BEEN CERTIFIED IN THE PAST.

Entries Sought for Quilt Expo 2005

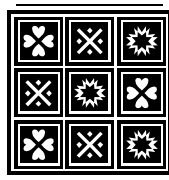

Our Cooperative Extension cousin, Wisconsin Public Television (WPT), is teaming up with "Sewing with Nancy" featuring Nancy Zieman to sponsor a three-day Quilt Expo in Madison in September.

In addition to a vendor mall, 27 central stage presentations, 144 informal lectures and Sew workshops, there will also be a quilt contest. The contest will be juried and judged and there are several categories including a "kids" division.

This is a great opportunity for

4-H members and even 4-H parents and leaders to exhibit their skills and creativity. There are no size requirements in any of the categories and quilts entered must have been made within the past five years.

The Quilt Expo will be held on Sept. 15-17, 2005 at the Alliant Energy Center Exhibition Hall in Madison. For more information and complete quilt contest rules, go to www.wiquiltexpo.com.

2005 Badger Dairy Camp

Applications are now being accepted for the 2005 Badger Dairy Camp, June 9 - 11 at the University of Wisconsin-Madison.

The Badger Dairy Camp, in cooperation with the UW-Extension, the Department of Dairy Science, and the Badger Dairy Club, is a program that supports life lessons such as self-confidence, teamwork, and sportsmanship for young people between the ages of 12 and 18.

Hands-on learning projects -

fitting, showmanship fundamentals, dairy judging workshops, and dairy science-related workshops that focus on nutrition and reproduction - teach campers the fundamentals needed to be successful in their dairy project work and lets youth explore some of the "science" in dairy science.

Saddle and Sirloin Club Offers up to Five \$100 Awards

The University of Wisconsin-Madison Saddle and Sirloin Club would like to announce the annual Saddle and Sirloin Club Swine Project Awards. Up to five awards of \$100 each will be awarded to first or second year swine project members.

The Swine Project Awards were introduced to help beginning 4-H or FFA members get started in the swine industry. To be eligible, an applicant must be a first or second year swine project member, 9-18 years old and a Wisconsin resident. The completed application is due postmarked no later than May 1, 2005.

The awards may be used for any expenses related to the recipient's swine project including the cost of pigs, feed, supplies, equipment, and

facility maintenance. A member of the Saddle and Sirloin Club may contact the winners to monitor the progress of their swine projects.

The Saddle and Sirloin Club is comprised of University of Wisconsin-Madison students interested in the livestock industry. The primary activities of the Saddle and Sirloin Club are the Badger Kick-off Classic Steer and Heifer Show, the Badger Bonanza Lamb Show, and the Little International Horse Show. The group also sponsors a national Meat-Animal Evaluation contest and the Club 101 Livestock Show for college students. Proceeds from Saddle and Sirloin activities are used for members' scholarships and travel expenses and to fund other club events.

New National 4-H Council Web Site

Have you visited the new national 4-H Web site at www.4HUSA.org? It's a fun and exciting interactive site where registered members can create their own "blogs", get free email, participate in on-line forums, upload stories and photos, and participate in a national community of young people.

Right now, registered members can participate in a photo contest.

The person who submits the best photo to the 4HUSA photo gallery wins a brand new digital camera. And registered writers can get their work published on the site by submitting a story about an outstanding 4-H member or 4-H club.

Registering is easy. Just go to the site at www.4HUSA.org and follow the simple instructions.

Club News

Champion Sparkplugs

We discussed our bowling party. We had a great deal of fun. We also were very grateful to The Rendezvous for the discount on our party for being a 4-H group.

We also discussed collecting money from each family to donate to the Soup and Talent show. Each family was asked to donate \$10 and the club would donate \$100.

We had an adult speaker from our club Kathy Daul, Who shared with us the changes for the fair such as the auction day now on Saturday and dif-

ferent things from showing cattle and hogs. The fair colors are pink and white, the theme is "Luau at the Fair." All members should be thinking of ideas for our decorations.

We handed out record books for each member and they will need to turn in the book at the end of the year showing what they did for 4-H.

We ended our meeting with discussing the upcoming event of roller skating and Camp Bird. Secretary, Mindy Zellner

Bolt Buccaneers

The meeting was called to order at 7:15 at Art and Sandy Schweiner's house.

Andrew Paider read the thank you letter from the playground committee for our donation. The following members gave reports: Kristin Pribyl - bell ringing, Kaila Stencil - caroling, Courtney Schultz - cheese tray, and April Novak - Project Day. John reported the results from our bake sale.

New Business

We decided that we were going to donate \$35 to the CP telethon during the time when businesses double the donation. Abby Rich

motioned that and Kaila Stencil seconded it. After the bowling party/fun day was postponed due to winter weather, we moved it to Feb. 19. The county is doing a time and talent raffle/lunch on Sun., Apr. 10, 2005.

We discussed donations for the event. Emily Selner made a motion to accept and Jake Paider seconded that. The new 4-H calendars were passed out, as well as project literature. We had a guest speaker: Jerry Lauters, who talked about being a soldier in the 1700s and showed items that would have been used during that time. I think we all learned a lot and had a really fun time.

The meeting was adjourned - motioned by Abby Rich and seconded by Kayla Schweiner.

donate baked goods for the lunch.

Jeff and Chris are donating hair care products, April a mixed basket, and Mari a night at home.

Seroogy Easter sale will occur, as it is a service to the community. Orders must be in by next meeting. Seroogys samples were then handed out. Drawings for 3 different types of Seroogy Easter candies were given out. Lacy, Mariah Stangel, and Josh won.

A spring planting demo was done by Mrs. Augustian.
