- ▲ What is the difference between plaque on your teeth and plaque in your arteries?
- ▲ What is **TMJ**?
- ▲ How is fluoride used today?
- ▲ What type of fillings are we using today, and how are they different from previous fillings?
- ▲ When we need a tooth replacement, how do we know which option to choose?

The public is invited to Lunch Bunch. You may bring your lunch, but you don't have to. The sessions are free, informal, and informative.

An EEO/Affirmative Action employer, University of Wisconsin-Extension provides equal opportunities in employment and programming including Title IX and ADA requirements. Requests for reasonable accommodations for disabilities or limitations should be made prior to the date of the program by contacting the Lafayette County UW-Extension Office at 608-776-4820. Please do so as soon as possible so that proper arrangements can be made.

This program is sponsored in part by Lafayette County Home and Community Education and free-will donations.
