No duplicate activities, i.e. two jobs, three ag classes, etc. will be allowed as educational requirements--must be three different types of activities. Exhibitors who qualify to sell more than one exhibit must report which exhibit they will sell to the chairperson of the Sale of Champions or the Extension agriculture agent no later than one hour following the end of the last show of the Fair or the Sale of Champions committee will decide which exhibit the exhibitor will sell.

- h. Exhibitors of the Junior Grand Champion and Senior Grand Champion of the dairy goat show will sell goat cheese or other product in the Sale of Champions, if they meet all of the qualifications. The Grand Champion and Reserve Grand Champion of the dairy and meat breed market goat classes will sell their exhibits if qualified.

The commission covers awards, advertising and other expenses of the sale. Exhibitors will be paid as soon after the Fair as all auction payments are received, expenses are calculated and commission is determined.
