and

16.965 (4)

Planning grants to local governmental units

16.965 DEPARTMENT OF ADMINISTRATION

16.965 Planning grants to local governmental units. (1) In this section:

(a) "Local governmental unit" means a county, city, village, town or regional planning commission.

(b) "Smart growth area" means an area that will enable the development and redevelopment of lands with existing infrastructure and municipal, state and utility services, where practicable, or that will encourage efficient development patterns that are both contiguous to existing development and at densities that have relatively low municipal, state governmental and utility costs.

(2) From the appropriations under s. 20.505 (1) (cm) and (if), the department may provide grants to local governmental units to be used to finance the cost of planning activities, including contracting for planning consultant services, public planning sessions and other planning outreach and educational activities, or for the purchase of computerized planning data, planning software or the hardware required to utilize that data or software. The department shall require any local governmental unit that receives a grant under this section to finance a percentage of the cost of the product or service to be funded by the grant from the resources of the local governmental unit. The department shall determine the percentage of the cost to be funded by a local governmental unit based on the number of applications for grants and the availability of funding to finance grants for the fiscal year in which grants are to be provided. A local governmental unit that desires to receive a grant under this subsection shall file an application with the department. The application shall contain a complete statement of the expenditures proposed to be made for the purposes of the grant. No local governmental unit is eligible to receive a grant under this subsection unless the local governmental unit agrees to utilize the grant to finance planning for all of the purposes specified in s. 66.1001 (2).

(3) Prior to awarding a grant to a local governmental unit under sub. (2), the department shall forward a statement of the expenditures proposed to be made under the grant to the Wisconsin land council for its written approval. The council may approve or disapprove any proposed grant.

Note: Sub. (3) is repealed eff. 9-1-05 by 1999 Wis. Act 9.

(4) In determining whether to approve a proposed grant, preference shall be accorded to applications of local governmental units that contain all of the following elements:

(a) Planning efforts that address the interests of overlapping or neighboring jurisdictions.

(b) Planning efforts that contain a specific description of the means by which all of the following local, comprehensive planning goals will be achieved:

1. Promotion of the redevelopment of lands with existing infrastructure and public services and the maintenance and rehabilitation of existing residential, commercial and industrial structures.

2. Encouragement of neighborhood designs that support a range of transportation choices.

3. Protection of natural areas, including wetlands, wildlife habitats, lakes, woodlands, open spaces and groundwater resources.

4. Protection of economically productive areas, including farmland and forests.

5. Encouragement of land uses, densities and regulations that promote efficient development patterns and relatively low municipal, state governmental and utility costs.

6. Preservation of cultural, historic and archaeological sites.

7. Encouragement of coordination and cooperation among nearby units of government.

8. Building of community identity by revitalizing main streets and enforcing design standards.

9. Providing an adequate supply of affordable housing for individuals of all income levels throughout each community.

10. Providing adequate infrastructure and public services and an adequate supply of developable land to meet existing and future market demand for residential, commercial and industrial uses.

11. Promoting the expansion or stabilization of the current economic base and the creation of a range of employment opportunities at the state, regional and local levels.

12. Balancing individual property rights with community interests and goals.

13. Planning and development of land uses that create or preserve varied and unique urban and rural communities.

14. Providing an integrated, efficient and economical transportation system that affords mobility, convenience and safety and that meets the needs of all citizens, including transit-dependent and disabled citizens.

(c) Planning efforts that identify smart growth areas.

(d) Planning efforts, including subsequent updates and amendments, that include development of implementing ordinances, including ordinances pertaining to zoning, subdivisions and land division.

(e) Planning efforts for which completion is contemplated within 30 months of the date on which a grant would be awarded.

(f) Planning efforts that provide opportunities for public participation throughout the planning process.

(5) The Wisconsin land council may promulgate rules specifying the methodology whereby precedence will be accorded to applications in awarding grants under sub. (2).

Note: Sub. (5) is repealed eff. 9-1-05 by 1999 Wis. Act 9.

16.9651 Transportation planning grants to local governmental units. (1) In this section, "local governmental unit" means a county, city, village, town or regional planning commission.

(2) From the appropriation under s. 20.505 (1) (z), the department may provide grants to local governmental units to be used to finance the cost of planning activities related to the transportation element, as described in s. 66.1001 (2) (c), of a comprehensive plan, as defined in s. 66.1001 (1) (a), including contracting for planning consultant services, public planning sessions, and other planning outreach and educational activities, or for the purchase of computerized planning data, planning software, or the hardware required to utilize that data or software. The department may require any local governmental unit that receives a grant under this section to finance not more than 25% of the cost of the product or service to be funded by the grant from the resources of the local governmental unit. Prior to awarding a grant under this section, the department shall forward a detailed statement of the proposed expenditures to be made under the grant to the secretary of transportation and obtain his or her written approval of the proposed expenditures.

History: 1999 a. 9; 2001 a. 30.

Cross Reference: See also ch. Adm 48, Wis. adm. code.

16.966 Land information support. (1) In this section, "state agency" has the meaning given for "agency" under s. 16.045 (1) (a).

Note: Sub. (1) is repealed eff. 9-1-05 by 1997 Wis. Act 27.

(2) The department may assess any state agency for any amount that it determines to be required for the functions of the Wisconsin land council under s. 16.023. For this purpose, the department may assess state agencies on a premium basis and pay costs incurred on an actual basis. The department shall credit all moneys received from state agencies under this subsection to the appropriation account under s. 20.505 (1) (ks).

Note: Sub. (2) is repealed eff. 9-1-05 by 1997 Wis. Act 27.

the fund are appropriated to the board for the execution of its functions as provided by the ordinance and the resolutions of the respective municipalities. The moneys in the fund shall be paid out by the treasurer of the hospital board only upon the approval or direction of the board.

(11) **CORRELATION OF LAWS.** (a) In any case where a bid is a prerequisite to contract in connection with a county or city hospital under s. 66.0901, it is also a prerequisite to a valid contract by the board. For this purpose, the board is a municipality and the contract a public contract under s. 66.0901.

(b) All statutory requirements, not inconsistent with the provision of this section, applicable to general county or city hospitals apply to hospitals referred to in this section.

(12) **REPORTS.** The board shall report its activities to the county board and the city council or councils annually, or oftener as either of the municipalities requires.

(14) **POWERS OF VILLAGES.** Villages have all of the powers granted to cities under subs. (1) to (12) and whenever any village exercises these powers the word "city" wherever it appears in subs. (1) to (12) means "village" unless the context otherwise requires. Any village participating in the construction or other acquisition of a hospital or in its operation, pursuant to this section, may enter into lease agreements leasing the hospital and its equipment and furnishings to a nonprofit corporation.

(15) **POWERS OF TOWNS.** Towns have all of the powers granted to cities under subs. (1) to (12) and whenever any town exercises these powers the word "city" wherever it appears in subs. (1) to (12) means "town" unless the context otherwise requires. Any town participating in the construction or other acquisition of a hospital or in its operation, under this section, may enter into lease agreements leasing the hospital and its equipment and furnishings to a nonprofit corporation.

SUBCHAPTER X

PLANNING, HOUSING AND TRANSPORTATION

66.1001 Comprehensive planning. (1) **DEFINITIONS.** In this section:

(a) "Comprehensive plan" means:

1. For a county, a development plan that is prepared or amended under s. 59.69 (2) or (3).

2. For a city or a village, or for a town that exercises village powers under s. 60.22 (3), a master plan that is adopted or amended under s. 62.23 (2) or (3).

3. For a regional planning commission, a master plan that is adopted or amended under s. 66.0309 (8), (9) or (10).

(b) "Local governmental unit" means a city, village, town, county or regional planning commission that may adopt, prepare or amend a comprehensive plan.

(2) **CONTENTS OF A COMPREHENSIVE PLAN.** A comprehensive plan shall contain all of the following elements:

(a) **Issues and opportunities element.** Background information on the local governmental unit and a statement of overall objectives, policies, goals and programs of the local governmental unit to guide the future development and redevelopment of the local governmental unit over a 20-year planning period. Background information shall include population, household and employment forecasts that the local governmental unit uses in developing its comprehensive plan, and demographic trends, age distribution, educational levels, income levels and employment characteristics that exist within the local governmental unit.

(b) **Housing element.** A compilation of objectives, policies, goals, maps and programs of the local governmental unit to pro-

vide an adequate housing supply that meets existing and forecasted housing demand in the local governmental unit. The element shall assess the age, structural, value and occupancy characteristics of the local governmental unit's housing stock. The element shall also identify specific policies and programs that promote the development of housing for residents of the local governmental unit and provide a range of housing choices that meet the needs of persons of all income levels and of all age groups and persons with special needs, policies and programs that promote the availability of land for the development or redevelopment of low-income and moderate-income housing, and policies and programs to maintain or rehabilitate the local governmental unit's existing housing stock.

(c) **Transportation element.** A compilation of objectives, policies, goals, maps and programs to guide the future development of the various modes of transportation, including highways, transit, transportation systems for persons with disabilities, bicycles, electric personal assistive mobility devices, walking, railroads, air transportation, trucking and water transportation. The element shall compare the local governmental unit's objectives, policies, goals and programs to state and regional transportation plans. The element shall also identify highways within the local governmental unit by function and incorporate state, regional and other applicable transportation plans, including transportation corridor plans, county highway functional and jurisdictional studies, urban area and rural area transportation plans, airport master plans and rail plans that apply in the local governmental unit.

(d) **Utilities and community facilities element.** A compilation of objectives, policies, goals, maps and programs to guide the future development of utilities and community facilities in the local governmental unit such as sanitary sewer service, storm water management, water supply, solid waste disposal, on-site wastewater treatment technologies, recycling facilities, parks, telecommunications facilities, power-generating plants and transmission lines, cemeteries, health care facilities, child care facilities and other public facilities, such as police, fire and rescue facilities, libraries, schools and other governmental facilities. The element shall describe the location, use and capacity of existing public utilities and community facilities that serve the local governmental unit, shall include an approximate timetable that forecasts the need in the local governmental unit to expand or rehabilitate existing utilities and facilities or to create new utilities and facilities and shall assess future needs for government services in the local governmental unit that are related to such utilities and facilities.

(e) **Agricultural, natural and cultural resources element.** A compilation of objectives, policies, goals, maps and programs for the conservation, and promotion of the effective management, of natural resources such as groundwater, forests, productive agricultural areas, environmentally sensitive areas, threatened and endangered species, stream corridors, surface water, floodplains, wetlands, wildlife habitat, metallic and nonmetallic mineral resources, parks, open spaces, historical and cultural resources, community design, recreational resources and other natural resources.

(f) **Economic development element.** A compilation of objectives, policies, goals, maps and programs to promote the stabilization, retention or expansion, of the economic base and quality employment opportunities in the local governmental unit, including an analysis of the labor force and economic base of the local governmental unit. The element shall assess categories or particular types of new businesses and industries that are desired by the local governmental unit. The element shall assess the local governmental unit's strengths and weaknesses with respect to attracting and retaining businesses and industries, and shall designate an adequate number of sites for such businesses and industries. The element shall also evaluate and promote the use of environmentally contaminated sites for commercial or industrial uses. The

66.1001 MUNICIPAL LAW

element shall also identify county, regional and state economic development programs that apply to the local governmental unit.

(g) *Intergovernmental cooperation element.* A compilation of objectives, policies, goals, maps and programs for joint planning and decision making with other jurisdictions, including school districts and adjacent local governmental units, for siting and building public facilities and sharing public services. The element shall analyze the relationship of the local governmental unit to school districts and adjacent local governmental units, and to the region, the state and other governmental units. The element shall incorporate any plans or agreements to which the local governmental unit is a party under s. 66.0301, 66.0307 or 66.0309. The element shall identify existing or potential conflicts between the local governmental unit and other governmental units that are specified in this paragraph and describe processes to resolve such conflicts.

(h) *Land–use element.* A compilation of objectives, policies, goals, maps and programs to guide the future development and redevelopment of public and private property. The element shall contain a listing of the amount, type, intensity and net density of existing uses of land in the local governmental unit, such as agricultural, residential, commercial, industrial and other public and private uses. The element shall analyze trends in the supply, demand and price of land, opportunities for redevelopment and existing and potential land–use conflicts. The element shall contain projections, based on the background information specified in par. (a), for 20 years, in 5–year increments, of future residential, agricultural, commercial and industrial land uses including the assumptions of net densities or other spatial assumptions upon which the projections are based. The element shall also include a series of maps that shows current land uses and future land uses that indicate productive agricultural soils, natural limitations for building site development, floodplains, wetlands and other environmentally sensitive lands, the boundaries of areas to which services of public utilities and community facilities, as those terms are used in par. (d), will be provided in the future, consistent with the timetable described in par. (d), and the general location of future land uses by net density or other classifications.

(i) *Implementation element.* A compilation of programs and specific actions to be completed in a stated sequence, including proposed changes to any applicable zoning ordinances, official maps, sign regulations, erosion and storm water control ordinances, historic preservation ordinances, site plan regulations, design review ordinances, building codes, mechanical codes, housing codes, sanitary codes or subdivision ordinances, to implement the objectives, policies, plans and programs contained in pars. (a) to (h). The element shall describe how each of the elements of the comprehensive plan will be integrated and made consistent with the other elements of the comprehensive plan, and shall include a mechanism to measure the local governmental unit’s progress toward achieving all aspects of the comprehensive plan. The element shall include a process for updating the comprehensive plan. A comprehensive plan under this subsection shall be updated no less than once every 10 years.

(3) **ACTIONS, PROCEDURES THAT MUST BE CONSISTENT WITH COMPREHENSIVE PLANS.** Beginning on January 1, 2010, any program or action of a local governmental unit that affects land use shall be consistent with that local governmental unit’s comprehensive plan, including all of the following:

- (a) Municipal incorporation procedures under s. 66.0201, 66.0203 or 66.0215.
- (b) Annexation procedures under s. 66.0217, 66.0219 or 66.0223.
- (c) Cooperative boundary agreements entered into under s. 66.0307.
- (d) Consolidation of territory under s. 66.0229 or 66.0230.
- (e) Detachment of territory under s. 66.0227.
- (f) Municipal boundary agreements fixed by judgment under s. 66.0225.

(g) Official mapping established or amended under s. 62.23 (6).

(h) Local subdivision regulation under s. 236.45 or 236.46.

(i) Extraterritorial plat review within a city’s or village’s extraterritorial plat approval jurisdiction, as is defined in s. 236.02 (5).

(j) County zoning ordinances enacted or amended under s. 59.69.

(k) City or village zoning ordinances enacted or amended under s. 62.23 (7).

(L) Town zoning ordinances enacted or amended under s. 60.61 or 60.62.

(m) An improvement of a transportation facility that is undertaken under s. 84.185.

(n) Agricultural preservation plans that are prepared or revised under subch. IV of ch. 91.

(o) Impact fee ordinances that are enacted or amended under s. 66.0617.

(p) Land acquisition for recreational lands and parks under s. 23.09 (20).

(q) Zoning of shorelands or wetlands in shorelands under s. 59.692, 61.351 or 62.231.

(r) Construction site erosion control and storm water management zoning under s. 59.693, 61.354 or 62.234.

(s) Any other ordinance, plan or regulation of a local governmental unit that relates to land use.

(4) **PROCEDURES FOR ADOPTING COMPREHENSIVE PLANS.** A local governmental unit shall comply with all of the following before its comprehensive plan may take effect:

(a) The governing body of a local governmental unit shall adopt written procedures that are designed to foster public participation, including open discussion, communication programs, information services and public meetings for which advance notice has been provided, in every stage of the preparation of a comprehensive plan. The written procedures shall provide for wide distribution of proposed, alternative or amended elements of a comprehensive plan and shall provide an opportunity for written comments on the plan to be submitted by members of the public to the governing body and for the governing body to respond to such written comments.

(b) The plan commission or other body of a local governmental unit that is authorized to prepare or amend a comprehensive plan may recommend the adoption or amendment of a comprehensive plan only by adopting a resolution by a majority vote of the entire commission. The vote shall be recorded in the official minutes of the plan commission or other body. The resolution shall refer to maps and other descriptive materials that relate to one or more elements of a comprehensive plan. One copy of an adopted comprehensive plan, or of an amendment to such a plan, shall be sent to all of the following:

1. Every governmental body that is located in whole or in part within the boundaries of the local governmental unit.
2. The clerk of every local governmental unit that is adjacent to the local governmental unit that is the subject of the plan that is adopted or amended as described in par. (b) (intro.).
3. The Wisconsin land council.
4. After September 1, 2005, the department of administration.
5. The regional planning commission in which the local governmental unit is located.
6. The public library that serves the area in which the local governmental unit is located.

(c) No comprehensive plan that is recommended for adoption or amendment under par. (b) may take effect until the local governmental unit enacts an ordinance that adopts the plan or amendment. The local governmental unit may not enact an ordinance under this paragraph unless the comprehensive plan contains all of the elements specified in sub. (2). An ordinance may be enacted

under this paragraph only by a majority vote of the members-elect, as defined in s. 59.001 (2m), of the governing body. An ordinance that is enacted under this paragraph, and the plan to which it relates, shall be filed with at least all of the entities specified under par. (b).

(d) No local governmental unit may enact an ordinance under par. (c) unless the local governmental unit holds at least one public hearing at which the proposed ordinance is discussed. That hearing must be preceded by a class 1 notice under ch. 985 that is published at least 30 days before the hearing is held. The local governmental unit may also provide notice of the hearing by any other means it considers appropriate. The class 1 notice shall contain at least the following information:

1. The date, time and place of the hearing.
2. A summary, which may include a map, of the proposed comprehensive plan or amendment to such a plan.
3. The name of an individual employed by the local governmental unit who may provide additional information regarding the proposed ordinance.
4. Information relating to where and when the proposed comprehensive plan or amendment to such a plan may be inspected before the hearing, and how a copy of the plan or amendment may be obtained.

66.1003 Discontinuance of a public way. (1) In this section, "public way" means all or any part of a road, street, slip, pier, lane or paved alley.

(2) The common council of any city, except a 1st class city, or a village or town board may discontinue all or part of a public way upon the written petition of the owners of all the frontage of the lots and lands abutting upon the public way sought to be discontinued, and of the owners of more than one-third of the frontage of the lots and lands abutting on that portion of the remainder of the public way which lies within 2,650 feet of the ends of the portion to be discontinued, or lies within so much of that 2,650 feet as is within the corporate limits of the city, village or town. The beginning and ending of an alley shall be considered to be within the block in which it is located. This subsection does not apply to a highway upon the line between 2 towns that is subject to s. 80.11.

(3) The common council of any city, except a 1st class city, or a village or town board may discontinue all or part of an unpaved alley upon the written petition of the owners of more than 50% of the frontage of the lots and lands abutting upon the portion of the unpaved alley sought to be discontinued. The beginning and ending of an unpaved alley shall be considered to be within the block in which it is located. This subsection does not apply to a highway upon the line between 2 towns that is subject to s. 80.11.

(4) (a) Notwithstanding subs. (2) and (3), proceedings covered by this section may be initiated by the common council or village or town board by the introduction of a resolution declaring that since the public interest requires it, a public way or an unpaved alley is vacated and discontinued. No discontinuance of a public way under this subsection may result in a landlocked parcel of property.

(b) A hearing on the passage of a resolution under par. (a) shall be set by the common council or village or town board on a date which shall not be less than 40 days after the date on which the resolution is introduced. Notice of the hearing shall be given as provided in sub. (8), except that in addition notice of the hearing shall be served on the owners of all of the frontage of the lots and lands abutting upon the public way or unpaved alley sought to be discontinued in a manner provided for the service of summons in circuit court at least 30 days before the hearing. When service cannot be made within the city, village or town, a copy of the notice shall be mailed to the owner's last-known address at least 30 days before the hearing.

(c) Except as provided in this paragraph, no discontinuance of the whole or any part of a public way may be ordered under this subsection if a written objection to the proposed discontinuance is filed with the city, village or town clerk by any of the owners abutting on the public way sought to be discontinued or by the owners of more than one-third of the frontage of the lots and lands abutting on the remainder of the public way which lies within 2,650 feet from the ends of the public way proposed to be discontinued or which lies within that portion of the 2,650 feet that is within the corporate limits of the city, village or town. If a written objection is filed, the discontinuance may be ordered only by the favorable vote of two-thirds of the members of the common council or village or town board voting on the proposed discontinuance. An owner of property abutting on a discontinued public way whose property is damaged by the discontinuance may recover damages as provided in ch. 32. The beginning and ending of an alley shall be considered to be within the block in which it is located.

(d) No discontinuance of an unpaved alley shall be ordered if a written objection to a proposed discontinuance is filed with the city, village or town clerk by the owner of one parcel of land that abuts the portion of the alley to be discontinued and if the alley provides the only access to off-street parking for the parcel of land owned by the objector.

(5) For the purpose of this section, the narrowing, widening, extending or other alteration of any road, street, lane or alley does not constitute a discontinuance of any part of the former road, street, lane or alley, including any right-of-way, which is included within the right-of-way for the new road, street, lane or alley.

(6) Whenever any of the lots or lands subject to this section is owned by the state, county, city, village or town, or by a minor or incompetent person, or the title to the lots or lands is held in trust, petitions for discontinuance or objections to discontinuance may be signed by the governor, chairperson of the board of supervisors of the county, mayor of the city, president of the village, chairperson of the town board, guardian of the minor or incompetent person, or the trustee, respectively, and the signature of any private corporation may be made by its president, secretary or other principal officer or managing agent.

(7) The city council or village or town board may by resolution discontinue any alley or any portion of an alley which has been abandoned, at any time after the expiration of 5 years from the date of the recording of the plat by which it was dedicated. Failure or neglect to work or use any alley or any portion of an alley for a period of 5 years next preceding the date of notice provided for in sub. (8) shall be considered an abandonment for the purpose of this section.

(8) Notice stating when and where the petition or resolution under this section will be acted upon and stating what public way or unpaved alley is proposed to be discontinued shall be published as a class 3 notice under ch. 985.

(9) In proceedings under this section, s. 840.11 shall be considered as a part of the proceedings.
