

Scholarship Application – PriceDirect Project 2006

The Price County UW-Extension Office has received a USDA Agriculture and Entrepreneur Education grant to help the PriceDirect Project continue its activities in 2006. \$1,000 of the grant has been designated to help growers attend educational programs relating to direct marketing and value-added enterprises.

The scholarships may be used to offset 50% of your cost of attending a program, not to exceed \$100. If you receive a scholarship, we'll ask you to give us a (short) written summary of your experience at the program and possibly present this at one of the PriceDirect project meetings. The scholarships will be awarded as a reimbursement after you have completed the program. If you'd like to apply for a scholarship, please fill out this form and return it to our office.

To be considered for the first round of scholarships, please send your completed application to the address below no later than Thursday, December 15th. You'll be notified the following week if your application is approved.

Name _____

Address _____

Town/City/Zip Code _____

Phone _____

Title and Date of Conference: _____

Have you received a PriceDirect or Price County Organic scholarship in the past?

Yes ___ No ___

Describe how this conference will help you attain your direct marketing business goals:
