

2009 Early Learning Series

Kindergarten Readiness

What makes a child “ready” for Kindergarten?
Is it knowing letters, numbers, colors, and shapes?
Join this informative seminar to learn what area-
Kindergarten educators say is important for children to
know and be able to do. You will also learn tips to do at
home to help your pre-Kindergarten child succeed once
they arrive on the Kindergarten doorstep in the fall.

This workshop is for parents and care providers of
children not yet attending Kindergarten.
