Agri-businesses are encouraged to sponsor dairy producers through scholarships to attend. Blocks of 5 or more registrations are available at a 10% discount. Contact your host site for more information.

Gaining the Competitive Edge: A Dairy Seminar Series -- 2006

Cost: \$20.00/Person (meals, breaks & materials)
10:30 a.m. to 3:00 p.m.

PROGRAM:

- Reproductive Management Programs to Improve Conception Rates**
Research at UW-Madison has recently focused on protocols for synchronizing and re-synchronizing systems for lactating dairy cows. Large field trial results will give recommendations for resynchronizing cows failing to conceive after a previous timed A.I. and the usage of CIDR® devices vs. GnRH administered early after timed A.I.
 Dr. Paul Fricke, UW-Extension Dairy Reproduction Specialist
- Dairy Cattle Nutrition Update**
Hot topics to be covered include: Using Rumensin® in diets of dry and lactating cows, new assay for starch availability in feedstuffs, causative factors for butterfat depression, dietary protein requirements, and using milk urea nitrogen assay results.
 Dr. Randy Shaver, UW-Extension Dairy Nutritionist
- Where does Biosecurity Fit on Your Farm?**
Risk factors and practical preventive strategies for important biosecurity risks such as Mycoplasma, Johnes disease, Salmonella and newly purchased cattle will be covered.
 Dr. Pam Ruegg, D.V.M. UW-Extension Milk Quality Specialist
 Dr. Larry Baumann, D.V.M., Dr. Dave Rhoda, D.V.M.
- What We've Learned from Research about Crossbreeding**
Update on calf, heifer, and early milking cow results from Holstein x Jersey and Holstein x Jersey x Montbeliarde crosses. Discussion of commercial herds' experiences using Jerseys, Brown Swiss, French Red and Scandinavian Red crosses.
 Dr. Kent Weigel, UW-Extension Geneticist
- Transition Cow Index (TCI)**
A new DHIA report that will allow you to benchmark fresh cow management to the rest of the industry, helping producers monitor effects of individual and overall herd transition cow management.
 Host Agent -- **Contact local agent for speaker schedule.**

THE UNIVERSITY OF WISCONSIN • UNITED STATES DEPARTMENT OF AGRICULTURE

UW-Extension provides equal opportunities in employment and programming, including Title IX requirements. UW-Extension programs are open to all persons without regard to race, color, ethnic background or economic circumstances. Advise us at least two weeks before the event if you are in need of special accommodations. Requests will be kept confidential.
