4-H Participation

Refer to users guide for examples

List the 4-H activities/events/achievements that you did during the year. Complete a new page each year. Check whether you did these on the local, county and/or district/state/national levels. Although you want to be brief with describing your activities/events/achievements, you should describe them enough so others know what you are referring to and you remember them in the future.

Check all that apply ✓

Year: 20_____ Activity/Event/Achievements	Local (club)	County	District/ State/ National
