

## Style Revue "Looking Good" Judging Criteria

The following criteria will be used for judging at the Style Revue. The judge will comment on 2 or 3 of the items only. Be prepared to give your reasons for each of the criteria.

Name _____ Grade (as of 01/01/08) _____			
Criteria	Fair	Good	Very Good
1. Reasons for selection of garment are logical. Consider ...			
■ Why garment was purchased.			
■ How garment fits into wardrobe.			
■ Activities for which garment will be worn.			
■ Fabric structure, fiber content, and care requirements.			
■ Simple accessories selected.			
2. Cost of garment is realistic considering resources of member (e.g., budget, time, skill, need).			
■ Cost comparison of ready-to-wear versus home-sewn shows wise use of dollars, time, skill, etc.			
3. Analysis of garment construction is consistent with use and cost of garment.			
■ Member shows some understanding of principles of garment construction.			
4. Wardrobe inventory shows evidence of need for garment.			
5. Garment fits exhibitor well.
