

Tomatoes and Salsas

Monday, October 5, 2009

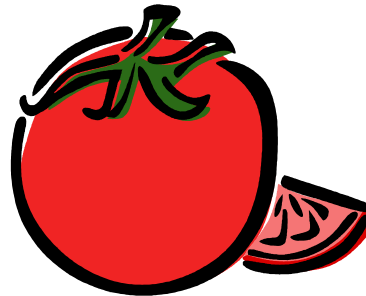

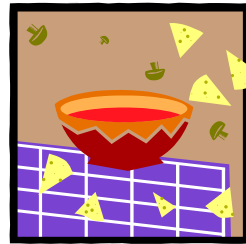

3:30 to 4:30 p.m.

Aram Public Library

404 E. Walworth Avenue

Delavan, WI

(262) 728-3111

Canning tomatoes can be fun and very rewarding. Guidelines for safely canning tomatoes and salsas from home gardens, revised with current research findings and updated for Wisconsin tomato and pepper varieties, conditions, and elevations will be discussed and distributed. These research-tested recipes have been reviewed to ensure safe, high quality products for the entire family to enjoy! Looking for holiday gift giving ideas? Think preserved tomatoes and salsas!

Workshop Instructor:

- Jenny Wehmeier, Walworth County UW-Extension Family Living Educator and Master Preserver

Yes, I would like to attend the October 5th Tomatoes and Salsa Workshop.
