

The record book forms are created using tables. Click your mouse to insert the cursor in the field. You can tab from one field to the next.

Stay within the box given. Don't type more than the box will allow. If you need to, change the size of your font.

Pages are set up to be one-sided rather than two-sided if you were handwriting your pages. Print the pages as is on your printer. Don't try to double side them.
