

COUNTYWIDE PROJECTS

There are a number of projects that are offered on a countywide basis. They are organized with an adult and/or youth leader working with enrolled members from throughout the county. Clubs may also have leaders in these project areas holding project meetings.

Animal Projects

Several countywide projects offer meetings that members are encouraged to participate in:

- * Beef
- * Swine
- * Goat
- * Rabbit
- * Sheep
- * Horse and Pony
- * Poultry
- * Dairy
- * Dog - Meetings every Monday beginning in

January

Child Development

Make fun projects used to care for children while learning the basics of child development. Countywide project meetings or consultations will be held according members' needs. Marma McIntee is the project leader. Project #412 - 413.

Clothing

Clothing Construction Lab will be held on Saturday afternoons at the Public Agency Center. Members must bring their own sewing machines. Enroll in Clothing Projects # 421 - 423. Susan Jahn is the project leader at 677-3397.

Clowning

Ha-Ha! Chuckle! Giggle! Do you like to make people laugh and smile? Consider joining the countywide clowning project. Marge Slaughter will lead the project. There will be 8 meetings beginning in October through May on the 4th Tuesdays of the month. Project members will make public appearances as clowns at the Music & Drama Festival, Mall Shows and Fairs. Open to all ages. Enroll in #365 - Clown.

Computers

There will be 3 – 4 countywide project meetings held for members interested in the computer project. The leaders will discuss your interests and design the meeting around the members. Meetings will be held in West Bend at the PAC.

Project # 374 - 376.

Project Leaders: Brenton Roskopf – (262) 224-5377

Patrick Bass – (414) 290-0536

Crocheting

Beginners will start with learning the basics before moving on to reading and creating an item from a pattern. More advanced pattern reading and techniques will be the emphasis for those with crocheting experience. Project Leader - Lisa Shuppe, 677-1455. Project #431R or 431L. Meetings are held on 1st and 3rd Wednesdays of the month starting January 5th.

Gardening

Learn about producing plants, growing and maintaining vegetables, preparing your crop for exhibit at fair, and preserving your harvest. The project leader is Aaron Jambura at 306-6845. Enroll in project #721 - 723.

Home Environment

Use the basic elements of design, color, line, form and texture to create fun projects that will decorate your home/room. Learn about room arranging, furnishings, and all the decorative touches that make rooms fun; 3 - 5 meetings. Marma McIntee, project leader, also invites guest teachers and conducts a field trip.

Llamas

Basic care/training of the llama is taught. It is not necessary for you to own your own Llama in order to participate. Loaner llamas are available. Enrollment may be limited depending on availability of a llama. Project leaders, George/Alberta Clements, 692-2691 or Tom Hoffman 628-3391. Meetings usually held on 3rd Tuesday of the month. Enroll in Project #239-A

Natural Science - Naturespace

(Birds, Bees, Butterflies, Trees and Much More)

Learn about all aspects of nature including fishing, wild flowers, insects, etc. (4-6 meetings starting in Oct.).

Project leader - Jan Heidtke 677-3908.

If you are interested in all areas of naturespace, enroll in Naturespace: Project #601.

If you want to learn more about a specific project, you should select the individual projects: Birds #602, Wildflowers #606, Fishing #681 - 683, Entomology #621-623, or Trees #605

Shooting Sports

Enroll in Archery #631, Air Rifle #633, Shotgun #635, and Wildlife Ecology/Hunting #642

Project Meetings:

ARCHERY: Jan. – March; weekly Tuesday or Saturday

AIR RIFLE: Jan. – March; weekly Thursday or Saturday

SHOTGUN: March – June; weekly Wednesday

WILDLIFE ECOLOGY/HUNTING: Jan. – June; monthly
*Mandatory Orientation Meeting for first year members on the first Saturday in December. Call Norb/Barb Yogerst at 677-2379.

Vet Science

Vet Science is a progressive 3-level project that teaches the project member how to identify the normal animal, the diseased animal. Members gain appreciation for public health issues related to animal health. Project leader is Pam Iczkowski at 677-2501.

Project #281 - 283. Meetings are held the 1st Friday of every other month beginning in fall.

Woolspinning

Learn to wash, pick, tease and card various fibers as you begin your spinning experience. Beginners start with drop spindle before moving on to the wheel. Various plying techniques and textiles will be the emphasis for those familiar with spinning. Approximate cost for wheel; \$100-\$200. Meetings are held on the 2nd & 4th Wednesdays of the month, starting in January. Lisa Shuppe, 677-1455, project leader. Project #425
