

Clover Flyer/One Liner Deadlines

Articles are welcomed for either one of the two newsletters, the *One Liner* and the *Clover Flyer*. Members, volunteers and families are dependent on you to share the information they need to participate in workshops, activities and events. Please use these main tools to communicate. Specialized, separate mailings may NOT always be possible.

The *One Liner* is a newsletter for Club organizational volunteers. Information in this newsletter may have been received after the mailing of the *Clover Flyer*. The *Clover Flyer* is the family 4-H newsletter. Information in the *Clover Flyer* should announce activities and opportunities.

This is a listing of newsletter deadline dates for article submission.
