

Clover Flyer/One Liner Deadlines

The *Clover Flyer* is Waukesha County's 4-H family newsletter. The *Clover Flyer* is our primary method of communication with the 4-H membership, used to announce activities and opportunities available to youth and leaders.

The *One Liner* is a shorter communiqué published between *Clover Flyers*, containing information not available by the previous *Clover Flyer* deadline.

As of 2007, both the *Clover Flyer* and *One Liner* are e-mailed to everyone. (If a member of your club is not receiving them, please get their e-mail address and forward it to the 4-H office as soon as possible.) Hardcopies of the *Clover Flyer* are mailed to the primary organizational leader of each club for copying and distribution to club members as needed.

Announcements and articles are needed for these newsletters. Members, volunteers and families are dependent on you to share the information they need to participate in workshops, activities and events. Please use these tools to communicate! E-mail newsletter submissions to lboyer@waukeshacounty.gov. Be sure to include contact information and all pertinent dates – including registration deadlines if required. (Club news should be sent to mhabib@waukeshacounty.gov.)

The following lists the communiqués, deadline dates for announcement/article submissions and the publication date (publication may be prior to the date listed).
