

One Liner February, 2008

UW Waukesha Basketball Game

4-H invited to UW Waukesha basketball game against UW Fox valley on February 6, 2008. Come join us for a free spaghetti dinner, a talk with the coach on basketball & fun time for the family.

Model Rocketry

REMINDER - All 4-H Model Rocketry meetings are now located at UW-Waukesha in the Field House building, Room F006, (as you enter the doors off the parking lot, lower level to your left). All meetings start at 7:00 PM. The next meeting is February 20th. Any questions please contact Flash Gordon @ flash_rescue31@hotmail.com or 262-544-0405.

Badger State Science & Engineering Fair

Interested in participating in the Badger State Science & Engineering Fair? Any Wisconsin high school aged student is eligible to participate directly to the State Fair on March 15th. Projects can be something you have worked on in the past 18 months that meet fair criteria. Please visit the website <http://www.bssef.org/> for more information. If you are interested in participating, please e-mail Maria at mhabib@waukeshacounty.gov You can also contact Patti Bringe-Blomquist at (262) 751-7578 for more details.

Five years ago, the Badger State Science & Engineering Fair (BSSEF) organization was started a group of Wisconsin professors. Last year, the BSSEF State Fair winner went on to be one of the top three International Science and Engineering Fair (ISEF) winners. In one year he brought home nearly \$130,000 in scholarships, trips, and prizes. That is just the start for this young man.

Let's show everyone how much talent there is in Waukesha County

Spaghetti Dinner
and
Basketball game at
UW-Waukesha!

February 6, 2008

HAWS Events

The Waukesha Humane Animal Welfare Society has the following sessions scheduled:

Solving Common Canine Behavior Problems - Monday, February 25 6:30pm-8:30pm

Is your dog jumping on your guests, counter surfing, barking too much? Are you still dealing with housetraining issues or chewing on your stuff? Come to this free informational seminar and get some solutions to these problems! *We will have demonstration dogs available – please leave your canine friend at home!*

Want to Know More About Your House Rabbit? - Sunday, March 2 1:00pm-3:00pm

Rabbits aren't as easy a pet as many people believe. This free seminar will talk about what you need to do to meet your rabbits needs, how to read your bunny's body language, dealing with common behavior problems, and common health problems experienced by rabbits.

How to Raise a Puppy – and Keep Your Sanity! - Monday, March 3 6:30pm - 8:00pm

Raising a puppy isn't always as easy as you'd think. Learn how to raise a socialized puppy that develops into a well behaved adult canine member of your family at this free seminar. This seminar is geared for puppies between 8 and 16 weeks of age. *We will need a small number of pups for demonstration purposes. Please call if you would like to bring your puppy.*

Patricia McConnell, Ph.D. Talk and Book Signing “The Other End of the Leash” - Thursday, March 20 7:00 pm, \$10.00 registration fee – pre-registration required

Learn how canine body language and communication differs from that of primates, and how those differences can impact our relationship with our doggy friends.

Pre-registration is required. Last year Dr. McConnell's talk filled a month prior to her speaking date. Early registration is strongly recommended.

To register contact Khris Erickson at 262-542-8851 x118 or khris@hawspets.org
