

#9 PROJECT MEETINGS ATTENDED:

List each project you carry in the Project column. Only list a project once if you carry it for more than one year. Put the years in the boxes. Under the current year, print the number of meetings held in the “H” column and the number of meetings you attended in the “A” column. Total the year’s meetings. Enter ONE (1) point on #9 of the Tally Sheet for each year you attend at least ¾ of all scheduled meetings. Enter SL if Self-Led project (no club or county project leader or meetings). Do not take credit for meetings attended in any project in which you led yourself.
