Dear Horticulture Professionals,

This year we will be offering the short course in Milwaukee and Waukesha Counties. Please be advised that you must attend all sessions that you sign up for at one location EITHER Milwaukee County OR Waukesha County. Our goal in returning the short course to Milwaukee is accommodate all Green Industry Professionals who wish to attend. Each site can seat approximately 100 people. Those registering for all four sessions will be given priority if seating becomes limited. After that seating is on a first come first serve basis by postmark.

The registration fee for all four sessions is \$50 per person. If three or more people from the same organization are attending, the cost is \$45 per person. If you are only interested in taking selected sessions the cost will be \$15.00 per session. There will be no refunds after February 6th.

If you are unable to attend the Waukesha or Milwaukee locations, there are two other locations for this short course available. Please call their office for more information.

Racine/Kenosha County Wednesday mornings
