

## Minutes

### Winnebago Towns/County Planning Committee

September 26, 2002

7:00 PM

Ray Bately opened the meeting with announcements and changes in future meeting dates. We will meet on October 24<sup>th</sup> at 7 PM, on November 21<sup>st</sup> at 5 PM, and on December 19<sup>th</sup> at 7 PM. All meetings will take place at the Vinland Town Hall.

We are to encourage other board members to attend.

The ad hoc committee on the sewer service area has a new date of expiration; October, 2003.

Ray will contact those towns that have not pledged their \$210 contribution for the extra charge on the consultant fee.

The meeting continued with a round of introductions.

Larry (PDI) reviewed the framework of Land Use Policy Districts and provided handout flowsheets. Each corridor was reviewed for completeness with a vision and accompanying issues. Out of that we are to develop policies. The corridors are: regional, community, neighborhood (local), rail road, environmental, shoreland, agricultural and rural areas, urbanized areas, and village centers. Considerable time was taken to brainstorm the different corridors and how each of us felt about our affected corridor. Comments and questions were put on post-it notes and placed on the wall next to that corridor. Agriculture and rural areas had the most interest. All the notes will be transcribed for the next meeting to address the issues.

Mike Koles provided a bound booklet handout titled, Winnebago County Comprehensive Plan Visioning Report. This is a report on

Committee work done prior to the consultants arrival. We are to review this and keep the thoughts in front of us.

Bert gave a report and provided a hand out of Summary Notes that is a compilation of his visits and conversations in the past few weeks. We are to review these notes and get back to Bert. He respectfully requested that each member of the advisory committee submit at least one question to him by October 15. See page 3 of the notes for an address to forward your question(s).

Next meeting is October 24<sup>th</sup>, 2002 at the Vinland Town Hall.

Meeting adjourned at 9 PM.

Respectfully submitted, John Hinkfuss Secretary
