VI. What was the MOST SIGNIFICANT happening at your center in the past three months?

We had a training with a mental health specialist for our staff. It proved very worthy and staff gained tremendous insight regarding caregiving and stress.

We also had our family food festival and a summer festival which connects our families to our center. It allows children and families and staff to bond and to meet new families within the center (other classrooms).

VII. What was the MOST SIGNIFICANT happening at your center over the timeframe of the entire Early Childhood Excellence Initiative?

When we received Early Childhood Excellence Initiative, we held grand opening to allow parents and staff to meet the officials that assisted in granting this initiative. It made parents and staff feel important in this venture.

In addition, the festivities were bountiful!!

Thank you for completing this Excellence Initiative program report. We look forward to finding out what is new with your center.
