VI. What was the MOST SIGNIFICANT happening at your center in the past three months?

Having the opportunity to train 3 current teachers as Mentors and assign staff at the our center or the other Excellent Grant center for the remainder of the grant.

VII. What was the MOST SIGNIFICANT happening at your center over the timeframe of the entire Early Childhood Excellence Initiative?

The most significant was we were able to provide more training in specific areas for the staff.

To provide paid planning time, in order for the staff to be able to work on children assessments for parent teacher conferences

The nurse was surely appreciated, for her availability to the parents and children. She was able to keep on top of the immunizations and physicals in a timely manner, as well as seeing sick children.

Thank you for completing this Excellence Initiative program report. We look forward to finding out what is new with your center.
