Speakers

Calculating Your Cost of Production, Doug Marshall, Farm Management Instructor, MATC-Reedsburg. Would you like to know how to calculate your farm's cost of producing milk or producing crops? Doug will discuss the importance of knowing your cost of production and provide tools that will help you learn to calculate your enterprises' cost of production.

Organizing For Tax Time. Kari Apel, CPA, Apel Associates. Tax time is upon us! Listen to the latest in farm tax news and learn how you can organize your tax materials to make the time you spend on your taxes more efficient, productive and profitable. Bring your tax questions to this session.

Labor Laws and Employee Management. Attorney Todd Pfeil, Pfeil, Millonzi & Curran, LLC. This workshop will give you a sound basis for hiring and managing ag employees in WI. Issues include: Interview & applications, overtime, hours of work, wage payment requirements, child labor & minimum wage, unemployment and workers' compensation. Bring your questions!

Nuts and Bolts of Farm Transfer. Denise Brusveen, Agriculture Agent, Sauk County UW Extension. This session will discuss the most common issues that farm families face when working on farm succession plans. One of the most important and often overlooked steps is setting and discussing the goals of all the people involved. This can open the lines of communication and pave the way to a workable succession plan.
