Door Prize (need to be present to win)	

* JCEP Service Learning Project - Do something positive for the community in the form of a service project! This year, JCEP will have the opportunity to do a service project while at the conference. This will benefit one of the Eau Claire area charities and there will be something everyone can help with - regardless of experience or special talents and skills. Check out the times for the service project on the schedule and stop by to enjoy the self satisfaction of helping others and the fellowship of your colleagues while working. Be sure to join us. This session is being led by members of WAE4HYDP. Call Melanie Miller or Barb Barker for more details.
