

The world, the environment, the economy, and UW-Extension are all facing troubling and uncertain times. Thank you for joining us at JCEP 2009, as we consider our role as UW-Extension professionals in the ever-changing, ever-challenging world around us!

Conference Objectives

- To provide professional and personal development opportunities
- To recognize and learn from the accomplishment of others
- To strengthen the coalition of associations and increase the understanding of JCEP
- To encourage membership in the associations by providing time for meeting, planning and networking

“Navigating an Uncertain Future”

Door Prize (Must be present to win)

*** JCEP Service Learning Project**

Do something positive for the community in the form of a service project! This year, JCEP attendees will again have the opportunity to do a service project while at the conference. This will benefit one of the Madison-area charities, and there will be something everyone can help with - regardless of experience or special talents and skills. This session is being led by members of WAE4-HYDP.

**** WEECDA Live Auction of Baskets**

WEECDA will be hosting a basket auction for their scholarships during the pre-banquet festivities. While they will be in the All Association Reception, they will work to respect everyone’s interest in enjoying each other’s company and camaraderie, by locating in an out-of-the-way area. However, anyone interested in bidding on the baskets and other items is more than welcome to join in on the fun.

The Posters and Exhibits are located in the Inspiration Room and the Mezzanine area. They will be staffed on Wednesday, April 1 from 10:00-11:00 a.m. A packet in your folder has a more detailed description of each poster.

TITLE	PRESENTER (S)
