

## Calling all Persons attending JCEP 2008

### JCEP Service Project for April 1-3

The 4-H Agents Association initiated the idea of a Service Project for a charity in the Eau Claire area as we join together for our annual JCEP Conference. The JCEP Board also joined the effort as a sponsor and the following project will be available for your contributions April 1-3. We invite members of all organizations to participate with either your talents or contributions of items from the wish list below.

The recipient organization will be the

#### **Eau Claire Interfaith Hospitality Network, Inc.**

Eau Claire Interfaith Hospitality Network, Inc. (ECIHN) is a shelter for families who are temporarily homeless. ECIHN provides a warm bed, three meals a day, family case planning and case management to help families regain hope and achieve and sustain independence. ECIHN offers 30-day shelter services and six months of outreach services. ECIHN works in partnership with area churches in providing the needed services to homeless families.

We will be providing a work option during the conference where you can actually help to make "No-Sew" fleece blankets and knap sacks for individuals. Don't worry if you can't use a sewing machine – parts of this project won't require that skill. Just bring your hands and energy. Times set aside during the conference for this project are Tuesday from 1:45 to 4 pm, Wednesday 10 to 11 am and Thursday 8:30 to 9:30 am .

Rather than donate your energy, you can also be part of the project by donating some needed items. See the list below, bring them along to the conference and watch for signs as to the location for your donated items.
