

# Strategic Planning Initiative

University of Wisconsin - Extension Cooperative Extension

## Vision Design Team You're Invited!

**Get involved in Cooperative Extension's Strategic Planning effort by joining a team that will design a vision for our future, and help that vision become a reality!**

### What's this all about?

Our strategic planning process has been designed around four basic planning questions:

1. Where have we been?
2. Where are we now?
3. Where would we like to be?
4. How will we get there?

We've spent the past few months involved in a Situation Analysis that examines the question, "Where are we now?" We've begun to identify some priority strategic issues that Cooperative Extension should work on in order to continue to be successful in the future.

The Vision Design Team will help create a link between "where we have been" and "where we would like to be" so our vision for continued future success can become a reality.

### What kind of Team members are we looking for?

We are looking for creative, forward-thinking people who care about our future. All Academic Staff, Administrators, Classified Staff, County Support Staff, Faculty and Specialists are invited to nominate themselves, or a colleague.

**Cooperative Extension will reimburse Team expenses.**

### What will the Team do?

This short-term work group will meet together three times to work on the following:

- A broad vision that will serve all of Cooperative Extension.
- Vision statements for specific issues.
- A discussion of how issues might be addressed in different scenarios.
- Finalization of mission, vision, and values for Cooperative Extension.

### Meeting Dates:

April 14, Wausau

May 28, Wausau

Fall: Date and location TBD by Team

### Where can I find out more about the Strategic Planning Process?

Information about the process, including timeline, a sampling of collected data, steering committee members, and details about previous steps in the process can be found on our website:

[www.uwex.edu/ces/strategicplanning/](http://www.uwex.edu/ces/strategicplanning/)

### Nominate today!

Email nominations, with subject line "Vision Design Team," and a brief description of interest to: [ajones@co.kenosha.wi.us](mailto:ajones@co.kenosha.wi.us)
