

## 2009 WACEC Auction

**It's that time of year again when we ask you to support the Public Issues Leadership Development Program for WACEC members by donating items to the 2009 WACEC Auction.**

By donating and participating in the 2009 WACEC Auction, you are helping support Wisconsin delegates' attendance at the Public Issues Leadership Development (PILD) Conference in Washington, D.C. This conference provides county board supervisors with the opportunity to learn about national issues facing Cooperative Extension and to network with their county colleagues from other states throughout the country.

We are asking for your support...

We want to have every county participate in the auction by donating an item. Even if you cannot attend, we are asking you to send your items to the conference.

We want to surpass last year's revenue!

Please use the enclosed auction cards to describe your auction items. Donated items can highlight your county's ethnic heritage, industrial or recreational assets. Items can be donated by local artisans or businesses or be handmade by you. There is NO LIMIT to the number of items your county can donate!

Auction items should be checked in on Monday, June 15 from 8:00 a.m. - 1:30 p.m. near the Registration table. There will be curbside assistance if you need help transporting bulky, large or fragile items.

Should you have any questions regarding this year's auction, please feel free to call the UW-Extension La Crosse County Office at 608-785-9593, or email [steve.huntzicker@ces.uwex.edu](mailto:steve.huntzicker@ces.uwex.edu).

We want to make this 2009 WACEC Auction a fun time and a good opportunity to support a great cause. Please be generous with your county donations!

Thank you and we look forward to seeing you at the auction!
