

New Youth Curriculum Pilot Report

Curriculum Name:	County:	Educator:
Setting/partner:	Age/grade of youth:	Number of participants:
Number of classes in series:	Dates:	

Preparation time:	Please add your comments:
How long did it take to prepare for teaching <i>the first time</i> you used this curriculum? Will it take less time in the future? Do you think the amount of preparation time is reasonable?	
Would a new educator be able to pick up this curriculum and use it effectively?	
How much adaptation did you do to suit your particular teaching setting? Explain. Did the curriculum provide suitable options or did you have to look elsewhere?	
Classroom setting and management	
Did the class stay engaged with the information/content?	
Did the class stay engaged with the activities?	
What kind of setting would be "ideal" for using this curriculum? In what kind of setting would it be less successful?	
Does the curriculum promote good classroom management?	
The Lessons	
Was the content at an appropriate level for the students in your classrooms? (too basic? too complex?)	
Were the games or activities age-appropriate for the students in your classrooms?	

New Youth Curriculum Pilot Report

Did you use the handouts or visuals included with the curriculum? Why or why not? If you used them, were they effective?	
Did you use parent handouts or newsletters included with the curriculum? Why or why not? If you used them, were they well-received?	
Evaluation	
Did you use the evaluation included with the curriculum, if available? Comments?	
Did you use a statewide evaluation tool? Which one? Comments?	
Partnering	
How was the partner involved? (in classroom during lessons, taught some lessons, taught some part of each/some lesson, supported financially but did not teach?) Comments?	
Diverse learners	
Did the curriculum meet the needs of diverse learners at your school?(students from diverse cultures, English language learners, students with disabilities or special health care needs, etc.?)	
Food, Sampling, Recipes	
If a food sample or recipe was included and prepared, was it well received?	
Any other comments?	

Overall recommendation:

- Recommend statewide
- Recommend statewide with reservations:
- Do not recommend.
