

*Developing Leaders to Strengthen Communities*

For over 25 years, Leadership Wisconsin has developed leaders to strengthen communities throughout Wisconsin.

**LEADERSHIP WISCONSIN** is an intensive two-year leadership program with a history of producing top-notch leaders for cities, towns, villages, rural regions, counties, and Wisconsin... in public, business, and nonprofit endeavors.

Our graduates have gone on to make a difference in health care, economic development, agriculture, education, and much more. Among the ranks of Leadership Wisconsin alumni are leaders in business, not-for-profit organizations, and elected officials including Mayors, School Board members and State Legislators.

Make a difference for Wisconsin; your community, your employees, your company, your nonprofit organization.
