

WI Mercury Collection Programs -2002 - 2004 Comments

County	Year	Good Vendors	Program's Best Aspects	Need More Info/Help
Brown Co.	2003	Lamp Recyclers, PCI.	Partnership w/Green Bay Sewer District for fewer thermometer. Digital exchange.	none
Calumet Co.	2004	Onyx Environmental is our only vendor, which is a contract requirement that enables Calumet to obtain annual landfill contribution	The fact that we have initiated a mercury collection program with 3 partner agencies in the county helps spread the message. Raising awareness will take time.	
Chippewa Co. Recycling Program	2003	WRR	Using the same vendor allows easy set-up and operation.	
Dane Co.	2003			Amalgam may be big when collected

County	Year	Good Vendors	Program's Best Aspects	Need More Info/Help
Dodge Co.	2002 & 2004	Onyx Environmental Services	Integrated with HH and Ag Clean Sweep Collection program	Permanent Collection programs.
Eau Claire Co.	2003			
Green Lake Co.	2004	Onyx Environmental Services	Seems everything is working well.	More educational material
Jefferson Co.	2003			
Kenosha Co.	2003			

County	Year	Good Vendors	Program's Best Aspects	Need More Info/Help
Manitowoc Co.	2002	Onyx & Lamp Recyclers	Was our first year accepting/advertising that we accept (always accepted) mercury. The schools & hospital brought in large amount.	Dental Amalgam, and user fees.
Manitowoc Co.	2003	Onyx & Lamp Recyclers	It seems we got most from schools & hospitals the year before. May have already gotten largest sources in 2002. Drop off at MRG, year round for mercury.	Dental amalgam, and user fee program.
Marathon Co. Health Dept.	2002			
Marathon Co. Health Dept.	2003			
Oneida Co.	2002	WRR & Lamp Recylers (light bulbs and batteries)		None.

County	Year	Good Vendors	Program's Best Aspects	Need More Info/Help
Oneida Co.	2003	Lamp Recyclers for light bulbs/batteries and WRR.		None.
Outagamie Co.	2003	Brown Co. Port and Solid Waste	The agreement with the vendor that our residents can use their facility year round.	none
Pierce Co.	2002	Onyx Environmental Services	We have a very well coordinated program. The coordination & working relationship we have w/our citizens & Onyx works.	More educational materials for Heating & Ventilation Businesses (thermostats). Think the majority of mercury thermostats are ending up in the landfills.
Pierce Co.	2003	Onyx Environmental Services	We have a very well coordinated program. The coordination and working relationship we have w/our citizens and Onyx works.	More educational materials for Heating & Ventilation Businesses (thermostats). Think the majority of mercury thermostats are ending up in the landfills.
Polk Co.	2003	NWRPC		none

County	Year	Good Vendors	Program's Best Aspects	Need More Info/Help
Sheboygan Co.	2003			
St. Croix Co.	2003	MRA works w/WRR and so far we've had no problems.	1)The year round collection at our office for special wastes, 2)Thermometer exchange program, 3)good press, 4)newsletter.	
Walworth Co.	2003	Onyx , LLC provides excellent service through CS. The RBRC provides their services free of charge, including providing collection materials & free shipping to their facility.	Rechargeable battery recycling coll. Prog. is free-of-charge to all Walworth Co. household residents, & Co-owned facilities. We collect rech. batteries during off.hours 7 am-5 pm. Collec. Point centr	
Walworth Co.	2004	Onyx Environmental Services has always provided excellent service	We conducted a mercury fever thermometer exchange this year (for the first time). It was very successful and easy to coordinate with clean sweep.	It would be helpful to identify collection opportunities offered on an ongoing basis, so we could refer our residents as needed.
Washington Co.	2003			

County	Year	Good Vendors	Program's Best Aspects	Need More Info/Help
Waukesha Co.	2002			
Waukesha Co.	2003			
Wind Point, Vi. (Racine Co)	2002	We only use Onyx.		
Winnebago Co.	2002	Brown Co. HHW	People can bring in their mercury w/other HHW.
