

Contractor and Consultant Listing

This document identifies a number of building contractors, consultants and architects who have either been referred or have asked to be included in any effort aimed at saving Wisconsin barns. Please note the distance that contractors are willing to travel, and anticipate that there may be a charge for travel expenses. UW-Extension assumes no responsibility for the quality of work or the integrity of those individuals listed. If you are aware of others who should be included in this document, please contact the author.

As the revision date below indicates, this information is periodically updated. To receive the most current materials please contact the author or access the information at the following Internet address:
<http://www.uwex.edu/lgc/barns/resources.html>

Compiled by:

Charles S. Law, Ph.D.
Community Planning and Design Specialist
229 Lowell Hall, 610 Langdon Street
Madison, WI 53703
(608) 265-2501
E-mail: chuck.law@uwex.edu

The Wisconsin Barn Preservation Program is an ongoing effort aimed at helping preserve many of the historic agricultural buildings in Wisconsin. Advising this initiative are the University of Wisconsin-Extension and the Wisconsin Historical Society. For more information please contact the author.
