

WI Barn Adaptive Reuse Projects

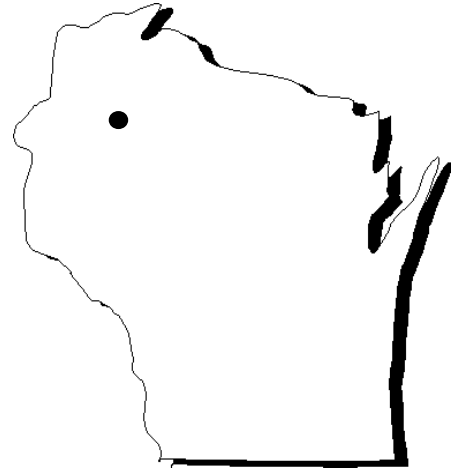

University of Wisconsin- Extension

Present Use: Kitchen, Dining Hall, Classroom and Nature Store
Type of Barn: Cedar Barn originally built in 1920

Owner's/ Contact Person's Name: Lynn Schmidt
Address: The Friends of Hunt Hill Audubon Sanctuary, Inc.
Route 1, PO Box 285
Sarona, WI 54870-9501
(715) 635-6543

Date of Conversion: 1955
Approximate Project Cost(s): NA

Brief Outline of Project: This barn was part of an operating dairy farm until 1954 when the owner, Francis Hunt Andrews, donated it to the Audubon Society. The Society constructed dorms, a lodge and converted the barn to its current use.

Success of Project: The facility is well used and the barn is an excellent conversation piece and attraction to the area.

Contractors Used: Local contractors were used. Their names are not known.
