

WI Barn Adaptive Reuse Projects

University of Wisconsin- Extension

Present Use: Antique Store and Private Residence - Grandpa's Antique Shop

Type of Barn: Horse Barn

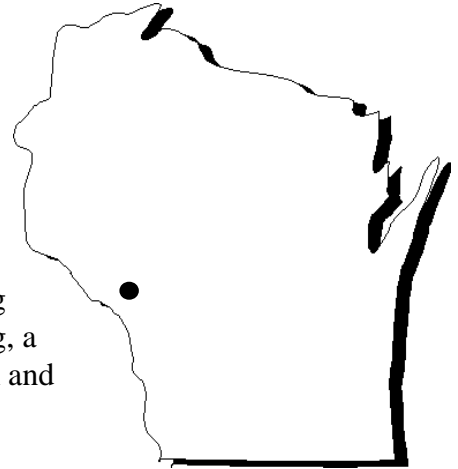

Owner's/ Contact Person's Name: Ray & Charlotte Mosey

Address: W7201
CTH Z
Onalaska, WI 54650

Date of Conversion: 1987

Approximate Project Cost(s): NA

Brief Outline of Project: While construction costs are not available, the conversion work included a set of new stairs leading to the second story loft space, new insulation and interior paneling, a new furnace, windows and doors. To the back, a second bedroom and bath was added including a porch and deck.

Success of Project: One of the first uses of an old barn that comes to mind is that of an antique shop, so this adaptive reuse certainly contributes to the business' success.

Contractors Used: Much of the work was completed by the owner and Kemp Construction of Onalaska - N6086 CTH SN
