

Additional Milk Money Resources and Recommendations

Also found in the back of this manual are several useful resources:

- **Cost of Mastitis Spreadsheet & Parlor Planner Spreadsheet.** MS Excel files for those of you who enjoy and use computers.
- **Udder Hygiene Scoring** sheets. A clean cow is a healthy cow and these score sheets help you assess udder cleanliness on your dairy. When you run out, give us a call and for a modest fee we'll send you more.
- **NMC membership discount.** Get 40 percent off your NMC membership when you participate in the Milk Money program.
(<http://www.nmconline.org/>)
- **Speaking of NMC,** we strongly recommend its "Teat Condition Portfolio" on CD. Visit this web site for more info:
<http://www.nmconline.org/news/tcp.htm>
- **Milk Money CD.** A CD with many of the resources found here in this manual and some instructions, tips and hints about getting the most out of Milk Money.
- **Milking Center Start-up.** If you're looking at moving into a parlor, or have recently made the move, this CD is a treasure of resources.
- **World's Best Milk Quality Web Site.** That's right - The World's Best. All you ever wanted to know with links to the rest.

<http://www.uwex.edu/milkquality/>

- **A toll free number.** Need help and you need a human voice to relate to? That's fine because that's what toll free numbers are for.
