The University of Wisconsin-Extension Academic Staff Council Awards for Excellence

Two members of the University of Wisconsin-Extension Academic Staff will be recognized by the Academic Staff Council annually for excellence and service. The awards will be presented at the October Academic Staff Council Meeting.

Academic Staff Council Awards for Excellence are presented to members of the University of Wisconsin-Extension academic staff to recognize excellence in instruction or professional service that not only furthers the work of the nominee’s division and unit but also exemplifies the Wisconsin Idea.

Excellence in performance is the primary criterion for the award, but outstanding service to the University community and beyond enhances a nomination.
